THE ISLANDS OF THE CARIBBEAN

Coast into the Caribbean for an island idyll with boat-loads of personality. Coconut-clad beaches and azure surf abound here, but delve further into this tropical treasure chest for much more than a fly-and-flop suntrap.

Barbados

dos

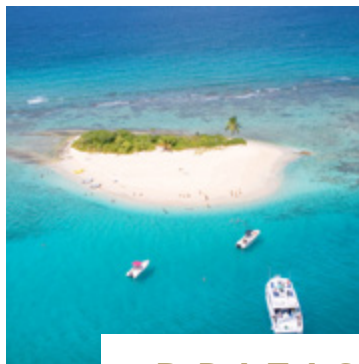

Barbados boasts some of the most exclusive hotels in the Caribbean, from the luxurious Sandy Lane to the elegant Coral Reef Club. It's a prime destination for celebrating in style, with top-notch dining options like The Cliff, Baia, and The Lone Star. For those who prefer discovering local gems, a foodie tour of the island offers authentic Bajan dishes like cou cou and flying fish.

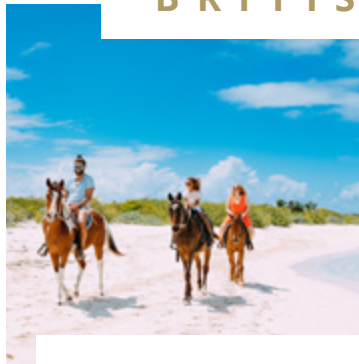

Barbados' nightlife is a major attraction, featuring the famous St Lawrence Gap and events like the Vujaday festival, which draws top house and techno DJs. For a quieter celebration, charter a yacht to explore less-known beaches and snorkelling spots, enjoying the luxury of personalised service. While the platinum sands of the west coast are the main draw, a tour of the island reveals the dramatic scenery of the rugged Atlantic shoreline.

From rum-swilling buccaneers and colonial sugar barons to modern jet setters on luxury yachts, Barbados has long attracted adventurers and pleasure seekers. This small island in the eastern Caribbean offers tranquil beaches, dramatic cliffs, rolling hills, superb restaurants, and picturesque golf courses. To rejuvenate your mind, body, and soul, visit Barbados, where coral-coloured sunrises and sunsets await. The island offers transformative experiences, both physically and spiritually. Challenge yourself with a tour of the incredible Harrison's Cave or the Run Barbados marathon along the scenic East Coast Road. For adventure, indulge in surfing at the breathtaking Bathsheba or sail the calm Caribbean Sea, dropping anchor in quiet bays for a swim or deep-sea fishing. Escape to secluded locations accessible by foot, surrounded by nature's tranquillity. Trek through sugar cane plantations and tropical thickets, and marvel at the rugged heartland's vast vistas. The Atlantic side of the island is a hidden gem with refreshing sea breezes and postcard views. Barbados, with one of the highest numbers of centenarians per capita, may just have a spirit that boosts wellbeing.

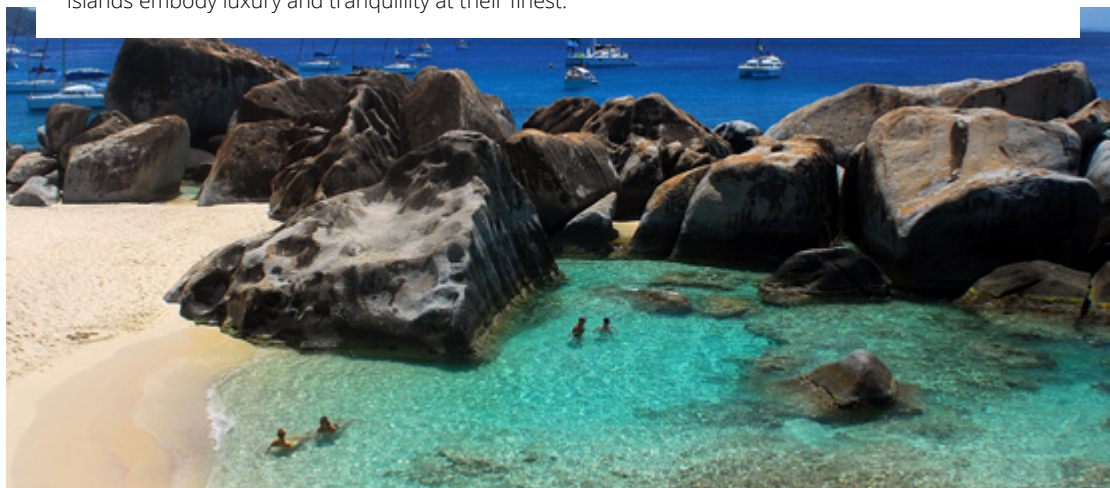

BRITISH VIRGIN ISLANDS

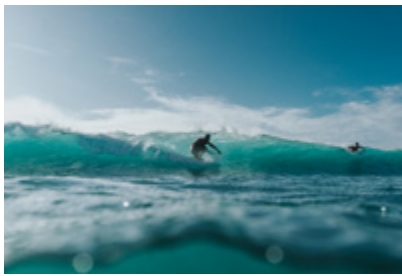

This romantic cluster of 60 islands and cays captivates visitors with its exclusivity, luxury, and natural beauty. It's no surprise that so many return year after year. Home to world-class resorts, indulgent spas, powdery white sands, and dazzling ultramarine waters, the British Virgin Islands offer an unparalleled escape. Upon arrival, unwind with the island's signature Painkiller cocktail, sway in a hammock between palm trees, and let the Caribbean breeze set the tone for pure relaxation.

Adventure beckons on the water, where the BVI boasts some of the world's finest sailing conditions. Sheltered bays, steady trade winds, and calm seas make it the ultimate yachting and island-hopping paradise. Beneath the surface, protected coral reefs create an underwater wonderland, perfect for snorkelling and diving.

For those who prefer to stay on land, the islands' laid-back beach bars, fine dining, and breathtaking coastal hikes provide endless opportunities to soak up the charm and serenity. Whether you are exploring by boat, relaxing in a private villa, or simply basking in the Caribbean sun, the British Virgin Islands embody luxury and tranquillity at their finest.

ARUBA

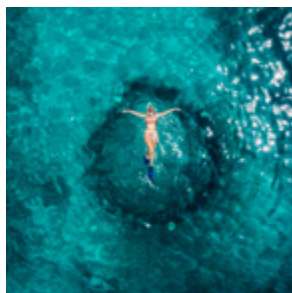

Aruba offers a unique Caribbean escape with its award-winning beaches, turquoise waters, and tropical charm. This sun-kissed island is a premier luxury destination, boasting exclusive resorts like the Ritz-Carlton and Bucuti & Tara Beach Resort, where beachfront suites and private villas provide stunning ocean views. Beyond relaxation, Aruba's landscape invites adventure, from yacht charters on azure waters to the rugged beauty of Arikok National Park. Wellness seekers can enjoy lavish spa treatments or tee off at Tierra del Sol's championship golf course. Eco-conscious travellers appreciate the island's commitment to sustainability, ensuring a guilt-free paradise.

Cultural vibrancy enhances the experience, with lively festivals like Carnival and the Bon Bini Festival. Whether unwinding on Eagle Beach, diving into clear seas, or enjoying upscale nightlife, Aruba epitomises tropical sophistication.

GRENADA

Grenada is famously known as the 'Spice Isle', though this wasn't always the case. Nutmeg, cloves and cinnamon were only introduced to the island during the British colonial period in the 18th and 19th century, but the excellent growing conditions and relative proximity to Europe meant that Grenada quickly became one of the world's most important producers of nutmeg. This fragrant legacy lives on in the markets of the island's capital, St George's, and spices infuse everything from the fiery rum punch to the cuisine at the many world-class restaurants. Our favourite places to dine in Grenada include the open-air Oliver Restaurant at Spice Island Beach Resort and the late celebrity chef Gary Rhodes' eponymous restaurant at Calabash. For a unique experience, Armadillo is a small guesthouse set in the lush north of the island and offers a fine dining experience. You should also make sure you visit some of the more rustic local eateries, where you can try Grenadian staples such as oil down, a comforting one pot stew, and the deceptively named lambie souse, which is a seafood dish centred on slow-cooked conch. Cocoa is another important crop for the local economy - don't leave without trying Belmont Estate's award-winning organic dark chocolate!

OMAN

With ancient culture, awe-inspiring natural beauty - in the form of rugged mountain ranges, deserts and crystal-clear springs - and the town of Muscat, offering the most sophisticated and yet modern taste of the Middle East, an escape to Oman with CARIBTOURS is a great beginner's guide to the wonders of this most beautiful of regions. With a thousand miles of coastland offering the very best in beaches and studded with historic forts and palaces, this 'Jewel of Arabia' is several holiday locations in one. This is the real Arabia, a land of soaring mountains and plunging wadis, bustling souks and vast, empty deserts.

From sleek city hotels to Bedouin encampments under starry skies, Oman offers some incredible places to stay, and no shortage of ways to explore, whether it's a cruise on a traditional dhow boat, a camel safari across burnt ochre dunes or a heart-pounding hike through the Jebel Akhdar mountains. You can kayak with dolphins, watch green turtles nesting in the early hours of the morning, and even paraglide from the top of a mountain. It's a richly textured country, bursting with flavours: fragrant rosewater, slow-cooked shuwa over spiced rice, honey-soaked desserts and coffee served with cardamom. Ancient landscapes are dotted with apricot and pomegranate trees, sleepy smallholdings and crumbling forts.

The Omanis have followed a deliberate policy of low-rise development and traditional architecture, and our favourite hotels here remain, for the most part, those that we have been sending our clients to for many years. In the city of Muscat itself, The Chedi is the most desirable address in town, an elegant, boutique-style retreat that's a perfect base for exploring Oman's low-key capital. Just 15 minutes from downtown Muscat lies Shangri-La's Barr Al Jissah Resort & Spa, which offers two resorts in one: Al Waha is aimed firmly at families, while Al Bandar has a more adult ambience. Just across the bay is one of Oman's newer hotels, the impressive Jumeirah Muscat Bay, which occupies its own private beach and opened in 2022. And no list of top Omani resorts would be complete without mentioning the Al Bustan Palace, a true institution with a real 'Old Arabia' ambience, as well as some of the best sports and leisure facilities in the region.

If you're not sure which hotel to choose, then give us a call; we can't wait to introduce you to this incredible country.
